

Dear Guests,

Whether you are looking for apartments or holiday homes on the Slovenian coast or in nearby Croatia's Istria we can help you to find a suitable property.

The Slovenian coast with its coastal towns Portorož, Piran, Izola and Koper is a popular place either for work or vacation and entertainment. Many comfortable hotels bear witness to that, with their modern pools, varied range of restaurants, and events attracting visitors from afar. Portorož is also a popular congress location. A visit to the nearby countryside can colour your day.

Croatia Istria, often called the Mediterranean Pearl, is located in the small country of Croatia on her largest peninsula. It is full of sunny beaches, clean sea, a rich history, a significant amount of cultural heritage, hospitable people, excellent local cuisine and some amazing wines. If you want to sum it up, that is Istria for you!

Send us the inquiry or reservation request and enjoy yourself at the seaside!
